## Sponsored Home Vacancy

### ABOUT THE SPONSOR:

This sponsor has had the pleasure of working with individuals with disabilities for over 8 years. He takes passion and pleasure in helping those in need achieve their dreams and is committed to helping individuals live a fulfilling and rewarding life. He has a vast knowledge in psychology and is very prideful in helping others. He ensures that his home is a safe space for those who are looking for a peaceful yet enjoyable place to live.

### THE FAMILY'S FAVORITE ACTIVITIES:

This provider enjoys exploring historical and moderate places that are full of attractions. He enjoys going to the beach, hiking the various trails that surrounds him, bowling, going to the movie theater, exploring various malls, and enjoys exploring new restaurants as they open. Downtown has become a favorite spot to visit as they offer an art gallery that allows the provider to support local artists. Any local events that Lynchburg offers, the provider enjoys going to and rendering any type of services that they may need. Church is optional.

### ABOUT THE HOME:

The provider has a two story home that includes a patio. The home is in a very peaceful and immaculate neighborhood.

### ABOUT THE AVAILABLE ROOM:

The bedroom is located on the main floor. The individual will be able to decorate their room with their favorite items to personalize their living environment to their liking. The bathroom will be shared.

### SOME INTERESTING PLACES IN THE COMMUNITY:

The home is located in a very friendly area with access to many places. Trails and hiking experiences are accessible from the provider's house. The house is not too far from all activities that the city offers such as the mall, movie theater, gym, bowling alley, etc. The provider is 30-45 minutes away from Smith Mountain Lake which he visits once a month.
