

Thanksgiving Food Boxes & Meals for Families

Thanksgiving Meals are needed this year more than ever – please help!

Many families in our community could not have a Thanksgiving feast without your generosity! You can make a difference. This Thanksgiving, we are seeking partners to provide a Thanksgiving meal to a family in need. There will be an empty table in our town unless you help. The family around that table is just making ends meet right now...they don't have any extra for a special meal.

The meal you provide will give this family a feast. They'll enjoy a juicy turkey with gravy, mashed potatoes with melted butter, baked sweet potatoes, steaming hot rolls, apple pie coming out of the oven....

Please coordinate a drive to provide make meals possible for five, ten or even twenty families.

BENEFITS OF CORPORATE PARTNERSHIP

By providing meals for families as a corporate and community partner, we would like to offer the opportunity to feature your business logo on our website, and a feature on our social media platforms. Recognition as a donor and corporate partner in the HumanKind Annual Report.
