

Help Stock the Emergency Household Pantry for Families

The shelves of our Emergency Household Pantry empty as soon as they are filled – please help!

HumanKind's Emergency Food & Household Pantry provides nonperishable food, school supplies and hygiene items to clients participating in our programs. This additional support allows our clients to weather short-term crises without having to pursue fast cash options, such as pay day or title loans.

Your support will help struggling families by providing them with an opportunity to meet their family's basic needs without jeopardizing the household's financial position. Bridging the gap toward their ultimate goal of achieving financial stability.

Please consider a drive to help keep the shelves stocked to help families all year long.

BENEFITS OF PARTNERSHIP

By providing help for families as a corporate and community partner, we would like to offer the opportunity to feature your business logo on our website, and a feature on our social media platforms. Recognition as a donor and corporate partner in the HumanKind Annual Report.

HOW YOU CAN GIVE
